

EL DORADO FOOTBALL'S FRIENDS AND FAMILY FUNDRAISER

Dear Parents and Players,

It is that time of year to start raising funds for the football team. You won't have to wash cars, sell candy or go door-to-door selling wrapping paper or magazines. The first year for the Family and Friends Fundraiser was 2005 and over \$13,000 was raised by this fundraiser alone. With everyone's help we feel that we can be even more successful this year.

In order to be successful we need **each player** at each level to bring in **ten stamped envelopes** with "real" names and addresses of friends, neighbors, family members (Aunts, uncles, grandparents in town or out of state) or business associates. **We will supply the ten envelopes to the players** and once you have stamped and addressed them, bring them to your coach. **Envelopes for the Freshmen are due on July 9, JV/Varsity are due on June 5.** Quarterback Club volunteers will stuff and mail the envelopes with a donation letter. (If you would like to add a personal note to go along with the donation letter, just put it inside the addressed envelope, but do not seal the envelope) When we receive a donation back, a thank you card and a picture of the player's team will be sent to the friend or family that made the donation. It is 95% profit for the team. All donations and fundraiser money goes directly towards running the program and benefits the players.

Thank you for your support,
The Quarterback Club

**It's as easy as 1...2...3...10 envelopes (don't seal them)
Give them to your coach on or before the due date.**

1 Your Name and Return Address	3 Stamp
2 Friend or Family Address
